A VIRTUAL EVENING OF HOPE AND COMMUNITY LIVE WITH JON STEWART IN SUPPORT OF LUNCH BREAK AUGUST 27TH • 7:00PM-8:00PM

TAKE THE CORPORATE CHALLENGE FOR LUNCH BREAK

**Pull your corporate team together and join "Team Lunch Break"
to help us meet our \$250,000.00 Match Challenge!**

Lunch Break has faced an unprecedented increase in need since the pandemic started in March. We are serving over 46% more meals to families and individuals and distributing almost double the amount of groceries than we were at this time last year.

Your support is more important now than ever before.

We challenge you to take a leadership position in the community as a corporate supporter of our Rising Together event. Empower change by helping to break the cycle of poverty and to lead our neighbors in need to a place of hope and sustainability.

It's easy and there are no entrance fees.

We will set your company up with its own Fundraising page where you will be able to establish a goal, donate and track your progress.

**The organization that raises \$5,000.00 will receive a 10 pack of tickets to
Lunch Break's renowned Taste of Summer event in 2021.**

Proceeds from the virtual event will benefit Lunch Break's mission of providing food, clothing, fellowship and life skills to those struggling with financial burdens in Monmouth County and beyond.
