# Lunch Break Environmental Program

Lunch Break, focused on being a leader in ESG, has numerous opportunities to financially support our environmental initiatives. Following are a few examples of how you can make a difference:

Our homebound delivery program is switching from disposable to reusable food delivery containers, thus eliminating tens of thousands of disposable containers annually.

**Financial Support Required: \$10,000**

We are installing six electric vehicle chargers for all of our future electric vehicle fleet needs as well as for our staff, volunteers, clients, etc.

**Financial Support Required: \$25,000**

We are considering the purchase of multiple solar powered trash compactors for our Red Bank and Fort Monmouth locations.

**Financial Support Required: \$15,000**
