

MARCH 2023

Dear Friends of Lunch Break and Family Promise,

Lunch Break and Family Promise of Monmouth County are **proud to present our 11th annual Night Without a Bed** fundraising event on **Friday, April 28th, 2023**. Event participants will spend the night sleeping outside our Day Center to raise funds and awareness for Family Promise, a support agency in Monmouth County that keeps homeless families together while providing counseling and financial services as a way for them to achieve permanent housing.

Family Promise Monmouth County (FPMC), part of the Lunch Break network of programs, provides emergency shelter, meals and comprehensive assistance free of charge for families in Monmouth County who are in custody of minor children, are at risk, or have become homeless. FPMC offers families **hope**, while promoting their **dignity** and providing them with the tools to achieve **self-sufficiency**.

Support generated by Night Without a Bed will help Family Promise continue to provide families with the following essential services:

- A safe place to shelter their family until permanent or transitional housing is found;
- Individual case management services to address their health, education, employment and housing needs;
- A home base, with access to showers and laundry facilities, and a home address for job and social service applications;
- Telephone and voicemail services, allowing potential employers and landlords to contact them;
- Computer and Internet resources for parents to look for jobs and housing, as well as for children to study and do homework;
- Transportation to get them to school, work, and other appointments; and
- Assistance in procurement of essential documents such as birth certificates and state issued IDs.

Please consider the sponsorship opportunities included with this letter. Your support is essential for our operation. We look forward to seeing you at Night Without a Bed!
