

January 2025

Dear Friends of Lunch Break's Family Promise of Monmouth County,

Lunch Break's Family Promise of Monmouth County is **proud to present our 13<sup>th</sup> annual Night Without A Bed** fundraising event on **Friday, March 28, 2025** held at The Fort Athletic Club. Event participants will spend the night sleeping out at The Fort gymnasium to raise funds and awareness for Lunch Break's Family Promise, a support agency in Monmouth County that keeps families experiencing homelessness together while providing counseling and financial services as a way for them to achieve permanent housing.

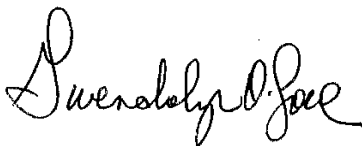

Lunch Break's Family Promise of Monmouth County provides emergency shelter, meals, and comprehensive assistance free of charge for families who are in custody of minor children, are at risk, or have become homeless. Lunch Break's Family Promise of Monmouth County offers families **hope, dignity**, and the tools to achieve **self-sufficiency**. In the near future, we aim to grow the program and create permanent housing solutions for families experiencing homelessness through the development of a new housing facility. Your support today aids the organization in planning for a future that is safer and kinder for the families we serve.

Support generated by Night Without A Bed will help Lunch Break's Family Promise of Monmouth County continue to provide families with the following essential services:

- A safe place to shelter their family until permanent or transitional housing is found
- Individual case management services to address their health, education, employment, and housing needs
- A home base, with access to showers and laundry facilities, and a home address for job and social service applications
- Telephone and voicemail services, allowing potential employers and landlords to contact them
- Computer and Internet resources for parents to look for jobs and housing, as well as for children to study and do homework
- Transportation to get families to school, work, and other appointments
- Assistance in procurement of essential documents such as birth certificates and state issued IDs

Please consider the sponsorship opportunities included with this letter. Your support is essential for our operation. We look forward to seeing you at Night Without A Bed!
